## WHAT MAKES A GREAT PFF VENDOR?

PFF is designed to create a **regional shopping adventure** for people looking for unique finds, vintage and antique items, collectibles, handmade goods, home décor, furniture, farm and western items, specialty products, and other interesting merchandise.

We encourage vendors to offer merchandise that gives shoppers a reason to **stop, explore and shop!**

## YOUR HOURS MATTER!

When you register for PFF, **please carefully consider the days and hours you will be open before submitting your registration.** Your hours will be shared with shoppers in the PFF Trail Guide and online, and shoppers may plan their route specifically around your location.

**If you list specific hours, we ask that you make every effort to be open and ready for shoppers during those times.** Being open when you say you will be is an important part of creating a positive experience for shoppers—and it helps build trust in PFF vendors and communities.

We understand that unexpected circumstances can happen. However, **please don't list hours simply because they seem convenient if you are unlikely to be available during that time.** Thoughtful, accurate hours are better than extended hours that you cannot consistently honor.

## IMPORTANT REGISTRATION INFORMATION

PFF makes commitments and incurs expenses based on the number of registered vendors. **Because of these commitments, vendor registration fees are non-refundable after payment has been submitted.**

We appreciate your understanding and your commitment to making **PFF 2027 a successful shopping adventure for vendors and shoppers alike!**
